

Property damage

What is covered

a Damage to property

If the **property**, or any part of the **property** is **damaged** during the period of insurance shown in the policy schedule, **we** will, at **our** option, either

- pay **you** the value of the **property** at the time of the **damage**, or
- repair, restore or replace the **property** or any part of the **property** that was **damaged**.

However, unless the **property** is a **building**, **we** will only pay **you** if the **property** is **damaged** within the **buildings** at the **premises**.

How much we will pay

The most **we** will pay in the period of insurance shown in the policy schedule will not exceed

- in respect of **property**, the sum insured shown in the policy schedule for that **property**
- in respect of all **damage** in total, the overall sum insured shown in the policy schedule.

We will not pay the **excess**. This must be paid by **you**. The **excess** applies to every separate incident or event of **damage** at each separate **premises**.

Basis of settlement

In the event of **damage** to **property** other than

- stock, rent, motor vehicles (including their accessories and equipment)
- employee's, director's, partner's, customer's and visitors cycles, tools and other personal effects

we will calculate the amount **we** will pay **you** on a **reinstatement** basis, provided that:

- where the work or **reinstatement** is carried out at another site and/or in any way suitable to meet your requirements **we** will not pay **you** for any resulting increase in the cost of the work or **reinstatement**.
- in respect of **property** that is only partially **damaged** **we** will not pay **you** more than **we** would have done had it been totally destroyed.
- **we** will not pay **you** anymore than **we** would have done if settlement was not on a **reinstatement** basis
 - unless **reinstatement** starts and continues without unreasonable delay
 - until the cost of **reinstatement** has actually been incurred
 - if the **property** at the time of the **damage** is insured by **you** or on **your** behalf under any other insurance which is not on the same basis of **reinstatement**.

If at the time of **damage** the sum insured shown in the policy schedule for the **property** is less than 85% of the full cost of **reinstatement** of the **property** then the amount **we** will pay **you** will be reduced in the same proportion.

In respect of all other claims for **damage** to **property**, **we** will settle **your** claim on an **indemnity** basis.

Automatic increase in sums insured

The cover provided by this section of cover extends to include

- newly erected buildings, extensions and alterations
- newly acquired **office contents**
- newly acquired **computer equipment**
- inflationary increases in the value of the **buildings**, **office contents** and/or **computer equipment** (but only if the sum insured shown in the policy schedule for the **buildings**, **office**

contents and/or **computer equipment**, at the start of the period of insurance shown in the policy schedule, is not less than their value)

but only for an amount not exceeding

- in respect of **buildings**, 25% of the sum insured or £50,000, whichever is the least, and/or
- in respect of **office contents** and/or **computer equipment**, 15% of their respective sums insured or £10,000 in total, whichever is the least.

Applying average

If, at the start of the **damage**, the sum insured shown in the policy schedule for the **property** is less than the value of the **property** then the amount that **we** will pay **you** will be reduced in the same proportion.

This clause will not apply if the amount **we** will pay **you** is calculated on a **reinstatement** basis.

Restoring the sums insured

Following **damage** which is insured under this section of cover the **sums insured** will be automatically restored to their original amount from the date of the **damage**, provided that **you**

- pay any additional premium **we** may require
- comply with any reasonable recommendations **we** may make to prevent further **damage**.

Designation of property

If **we** need to determine the heading under which any **property** is insured **we** agree to accept the designation under which the **property** has been entered in **your business** books.

Non-invalidation

This section of cover will not be invalidated by any act or omission or an alteration where the risk of **damage** is increased but this was unknown to **you** and beyond **your** control, provided that:

- **you** tell **us** immediately **you** become aware of it, and
- pay any additional premium **we** may require, and
- comply with any additional terms **we** may require.

Provided that

- the work of **reinstatement** is commenced and carried out without unreasonable delay and, in any event, be completed within 12 months after the **damage** or any longer period that **we** may agree with **you** in writing.

However, **we** will not pay **you**

- for those additional costs in complying with the requirements

- for the amount of any charge or assessment that arises from capital appreciation which is payable in respect of the **property** following compliance with the requirements.

If the requirements mean that the **reinstatement** is carried out, either in whole or in part, on another site **we** will not pay **you** more than **we** would have done had the **reinstatement** been carried out at the **premises**.
